THE YEAR THAT WAS

This year marked our 22nd year of service to the poor, needy and the helpless in the society. Over the years the scope of service and the number of beneficiaries has increased as large hearted people from far and wide come to us so that we may be a channel for them in reaching out to the ones in need.

The over-whelming participation of so many people in our activities gives us confidence to continue on our path of fulfilling our mission.

The highlight of the year was the inauguration of the renovated mushroom unit sponsored by Rubfila International. The new Unit is equipped with Fogging Unit, Humidity checking meter, Fumigation unit etc for enhancing productivity.

We celebrated Onam and completion of 22 years of Devashrayam in a grand function attended by invited guests Dr P.R Krishna Kumar, Chancellor of Avinasi Lingam University, Sri Asha Menon (Writer), Sri T.K Shankara Narayanan (Writer). Sri S Amal Raj (Mathrubhumi) Dr M.N Anvarudeen, and Sri Gireesh Kumar. Our members, staff, students and their parents were present in large numbers.

Ongoing projects of Devashrayam.

The projects undertaken by Devashrayam were the same as last year and can be classified under 4 sections:

- **Annadhanam** - **Providing free midday meal to the poor patients at Govt. District Hospital, Palakkad**
- **Ashrayam** - **Vocational rehabilitation of special needs Students**
- **Ayurbandhu** - **Financial Aid for dialysis to poor patients with renal failure**
- **Free Medical Aid** - **Medicine and financial assistance to poor patients.**

ANNADHANAM

Devashrayam was established with the intent of providing a free mid-day meal to the poor patients at Govt. District Hospital, Palakkad. This was the **1st project** of our Society and very soon support from individuals started reaching us. What started as a small beginning (ie meals to 100 patients a day in the 1st year) has assumed fairly large proportions and now almost **300 patients** receive their mid-day meal from us. This service continues uninterruptedly on all the 365 days for the past 22 years and approximately **100,000 patients** benefit every year. This number is increasing every year. In spite of the soaring prices of essential commodities, the residents in and around Palakkad town as well as the Round Table of India – 81, contribute the major chunk of rice needed for this project. We thank all the donors & well wishers who have donated in cash and kind to make this project run without interruption. The total cost incurred towards this project was **Rs 15,99,861.28** plus rice (more than 500 kgs per month Valued approximately Rs. 200000/p.a) and food material donated by well wishers. We spent Rs 1,62,275/- for the repair of Boiler Unit of our Steam cooking unit as the part had acquired leakage through wear and tear.

ASHRAYAM

Devashrayam provides a safe refuge and a healthy learning environment to the mentally challenged who otherwise have nowhere to turn to. The vocational rehabilitation Centre was started under the guidance of Dr. T. Murali “The Rehabilitation Man of India”, a person who has dedicated his life for the upliftment of the Mentally ill and the retarded.

At present 60 mentally challenged students attend the rehabilitation center. They participate in regular morning exercises, classroom sessions, art, craft and music lessons designed as per their capabilities. Apart from that, a few of them are involved in our ongoing projects of making phenyl, liquid soap, agarbathi, candles and paper bags. The Mushroom production unit set up with the assistance of Free Masons of Lodge Palghat – 159 generates a small income every year.

Our Khadi Unit set up by the Khadi Village Industries Board in 2002 functions very efficiently as it is ably supervised by Mrs Leela from the Khadi Board and our staff Mrs. Sheena.

The sale of phenyl, liquid soap, Agarbathi and other items produced by students fetched a good income, just as in the previous years.

Total rehabilitation expenses for the year were **Rs 31,031,92.21**

Details of events in which our students participated and their interactions with students and teachers of various schools/colleges that visited the Centre, are given in the **LIST OF IMPORTANT EVENTS**.

AYURBHANDHU

Our tie up with Shanthi Medical and Information centre at Balaji Hospital, Palakkad completed another successful year. Poor patients with kidney malfunction/failure are able to carry on with their lives with the free dialyses support from this project. This year brought the total number of free dialyses to more than 4450 from inception. In addition we have been sponsoring medicines upto 1000/- per month for around 55 patients with kidney malfunction for the last few years. We also support patients for peritoneal dialysis at the District Hospital. Our expenses towards dialysis and medicines were to the tune of **Rs 6,28,391.31** this year.

AROGYA NIDHI

This is another significant project of Devashrayam. This project operates through an authorized medical shop in Palakkad. Around **60 poor patients** are given medicines free of cost on a monthly basis on producing prescription from doctors. This year the quantum of medical aid was **Rs. 4,24,414.28**. We are humbled to be of service to the ill and suffering multitudes. Much more needs to be done, however, as the number of people who need financial help are many and we are not able to meet the entire requirement. This year **13 patients** were given one time medical aid for treatments in the region of Rs 5000/- to Rs 10000/- each. Medical insurance to the tune of upto Rupees Two lakh was provided to all the staff and their family members, by paying an insurance premium of **Rs 77743/-**.
